CONSULTANT NEPHROLOGIST

This role presents an excellent opportunity to work in the largest renal service in South Australia with exposure to all facets of renal care. Joining the team at the Central Northern Adelaide Renal & Transplantation Service (CNARTS), you will be responsible for the provision of a nephrology and transplant service for the Central Adelaide Local Health Network (CALHN). Providing inpatient care for nephrology and transplant patients and undertaking outpatient clinics, you will ensure the timely provision of discharge summaries, written specialist opinions and requested medical reports. As part of your role, you will also take part in undergraduate and postgraduate teaching and supervision. Being a Consultant you will provide advice and information to other staff, medical practitioners and patients, along with participating as an independent researcher in the overall research program of the department.

Holding appropriate qualifications for a Consultant/Senior Consultant, you will be registrable as a Specialist with the Medical Board of Australia. You will have proven experience as a Consultant Nephrologist in Australia caring for dialysis and renal transplant patients. Demonstrating a high level of clinical skills in Nephrology, you will be competent in problem solving and decision making at both the clinical and the individual level. Your excellent verbal and interpersonal communication skills will equip you to work well within a multidisciplinary team environment and participate in multidisciplinary clinical meetings. Demonstrated teaching skills will go hand in hand with your ability to supervise junior staff.

Appointment will be subject to a satisfactory Department of Communities and Social Inclusion (DCSI) Criminal History Check. Job Ref: 553198
